ACKNOWLEDGMENTS

Cupertino National Little League wishes to express its thanks on behalf of our youth, to the sponsors, advertisers, and the many parents and friends who have made Little League Baseball possible.

SPONSORS & ADVERTISERS SUPPORT LITTLE
LEAGUE -----SUPPORT OUR SPONSORS
AND ADVERTISERS.

Special thanks to Val's Instant Printing for cooperation and assistance in printing the 1973 Rosterbook.

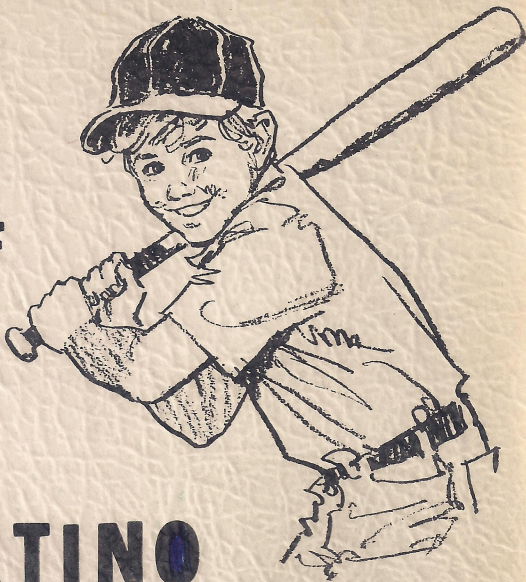

Every parent of the boy who plays Little League Baseball has a responsibility to do his or her part. Ideally, who but the parent has more at stake and is more acutely motivated? The local league is not obligated to accept children whose parents, by refusal or indifference, fail to apply themselves to the interest of the league.

Thousands of boys have enjoyed a year, perhaps two or three years, of Little League only because adult volunteers, other than their parents have come forward to help.

For most parents and adults, participation in Little League is a fulfilling experience. The rewards are great, even incalculable in terms of benefits charted over the impressionable years of youth. Properly operated, Little League speaks for itself as a proud asset to any community. Besides, it's fun and stimulating. Little League should be a happy family experience. Making it that way through unselfish participation best defines the role of the parent.

Don't make excuses, make time, and in turn you will help make the boy into a man.
