TEAM ROSTERS . . . . .	60-67

April 12, 1974

Signups are over, tryouts have been completed, each boy assigned to a team, sponsors and uniforms obtained, and fields readied for play. Sounds simple, but a lot of work and effort was put forth in each of these areas by the many adults who donated their time.

As we begin league play we look forward to a successful season and in turn reflect back on our accomplishments already in 1974.

1. Our League was incorporated in the State of California.
2. By-laws were written to govern the League and establish continuity in future years.
3. Capital improvements have been made at the majority of our playing fields.
4. All 51 teams have been sponsored and uniformed.
5. Cooperation within the League was encouraged through meetings between the Board and Team Managers as well as "Volunteer Night".
6. Cupertino National has been selected to host the divisional Championship for Seniors.

The wholesome aspects of youngsters taking part in our program is a complimentary reflection on the spirit and enthusiasm of our parents and adult volunteers. I thank you, for without your help none of our projects or programs could be accomplished.

Finally, a word to the 700 young men who make up Cupertino National Little League. Enjoy the next 3 months, but strive to learn the fundamentals of team work and good sportsmanship. May God watch over each of you during the 1974 season.

Russ McDonald  
President

## HISTORY

The original Cupertino National Little League was founded in 1955 and included an area almost triple the size of the present League boundaries. Cupertino National grew with the continued increasing population of the surrounding area. The League was divided in 1958 and Cupertino American Little League was founded. Again in 1960 the League was split forming what is now known as Pacific Coast Little League.

Cupertino National has been a member of District 44 since its founding, except for the years 1966 through 1972, when we were a member of District 53. District 44 is made up of 17 Leagues, which include all or sections of Los Altos, Sunnyvale, Cupertino, Santa Clara, Campbell and San Jose.

In 1974 Cupertino National Little League will provide a baseball program for almost 700 boys. In the 8 years from 1966 to 1974 Cupertino National has expanded from 16 teams to the present 51 teams. This year we will field 9 Bantam teams, 10 Minor II teams, 8 Minor I teams, 8 Major teams, 8 Senior Minor teams and 8 Senior teams.

We expect the growth of Cupertino National to level off in 1974, but look forward to continuing progress in maintaining a quality Little League program.

SENIOR LEAGUE WILL PLAY ALL GAMES AT MONTA VISTA HIGH SCHOOL AND DE ANZA JR. COLLEGE

SENIOR LEAGUE SCHEDULE WAS NOT AVAILABLE AT THE TIME THE 1974 ROSTERBOOK WAS PRINTED.
