NATIONAL LITTLE LEAGUE

P. O. BOX 1030

CUPERTINO, CALIFORNIA 95014

April 12, 1975

Cupertino National Little League was founded in 1955. Since that time, over 8,000 boys, thousands of games, the efforts of hundreds of volunteers and the financial backing of sponsors, advertisers and others have developed the excellent program that we have today. In looking back, we can be grateful to the few who, recognizing the value, standards and high ideals of Little League baseball, believed that this was the type of program that would benefit the youth of our area.

We can see the physical developments of the Cupertino National program: uniforms, equipment and playing fields. Many other things that the program has given our youth are not as easily seen: personal growth, social associations and a realization that teamwork means just that... trust and cooperation... possibly their first real exposure to the interdependence of people working together under adult supervision.

In 1975, we will again present a constructive program to assist in developing qualities of citizenship and sportsmanship through the efforts of volunteers who devote thousands of hours towards the attainment of the Little League ideals as they were first recognized twenty years ago.

IN APPRECIATION

Cupertino National Little League, Inc. is a non-profit organization operated entirely by volunteer personnel. The contribution of the Coaches, Managers, Umpires, and other Officials of the League and organization is impossible to measure. These people deserve our cooperation and respect. Others contribute to the success and financial support of our program. This is especially true of the Team Sponsors and the Rosterbook Advertisers. We urge that you recognize this support and whenever possible demonstrate your gratitude.
