NATIONAL LITTLE LEAGUE

P. O. BOX 1030

CUPERTINO, CALIFORNIA 95014

April 14, 1976

Once again we are about to start the Little League season. Teams have been formed, fields are being put into playing shape, equipment and uniforms have been distributed, and it is time to play ball.

In 1976 Cupertino National Little League will field 46 teams composed of 600 youngsters with the intention of providing a wholesome environment where each youngster is given the opportunity to learn the fundamentals of teamwork and good sportsmanship, and to play and enjoy the game. We would hope that each youngster could look back and regard the 1976 season as a pleasurable and rewarding period of time.

To accomplish these goals, we must avoid what was defined in the Wall Street Journal of March 22, 1976 as the "Little League Syndrome where the competition is for Dad and Mom rather than the child." It is of little value to remind the eight-year-old that he or she made an error. The ballplayer is more acutely aware of that fact than any other individual. Rather we should remind the player that there will always be another chance. As parents and fans we should applaud the good play regardless of who makes it.

It is my firm belief that if we parents are aware of the example we set in our association with Cupertino National Little League, the 1976 season can be fun for all involved.

A handwritten signature in cursive script that reads "Gary L. Blachly".

In 1976 Cupertino National will again field a team for players ages 16, 17 & 18. The team will represent Cupertino National against teams from the Santa Clara Valley and neighboring areas. We are proud to again welcome back Imperial Welding as our sponsor. Imperial has sponsored Senior Division teams in the past, as well as Big League, and we're grateful for their support.

The Imperial team will be managed by Russ McDonald and assisted by coach Gene Colburn. All home games will be played at De Anza College. All Cupertino National supporters are encouraged to come out and see baseball at the highest level.

A complete team roster and schedule will be published in THE BOXSCORE at a later date.

UMPIRES

Umpires in the CNLL program are volunteers and they contribute their time in the interest of the program. Almost without exception, umpires work games in which they have no children participating. We extend our appreciation to all Cupertino National Umpires.

New volunteer umpires are always welcome in Cupertino National. Contact Chief Umpire, Jim Arnest, 257-3903 if you are interested in contributing a few hours per week as an umpire.

The men listed below are a partial list representing all umpires in the Bantam, Minor II, Minor I, Major, Senior Minor and Senior Leagues.

IN APPRECIATION

Cupertino National Little League, Inc. is a non-profit organization operated entirely by volunteer personnel. The contribution of the Coaches, Managers, Umpires, and other Officials of the League and organization is impossible to measure. These people deserve our cooperation and respect. Others contribute to the success and financial support of our program. This is especially true of the Team Sponsors and the Rosterbook Advertisers. We urge that you recognize this support and whenever possible demonstrate your gratitude.
