NATIONAL LITTLE LEAGUE

P. O. BOX 1030

CUPERTINO, CALIFORNIA 95014

April 20, 1978

The Cupertino National Little League extends a hearty welcome to the families participating in Cupertino National in 1978.

Little League baseball is organized and run by volunteers for the young people of our community. This program has participants all around the world and has a proven 'track' record for over a quarter of a century.

Our league has adopted rule changes this year to insure that every player on a team has the opportunity to play one-half of each game. These rule changes are in keeping with our philosophy of participation and good sportsmanship.

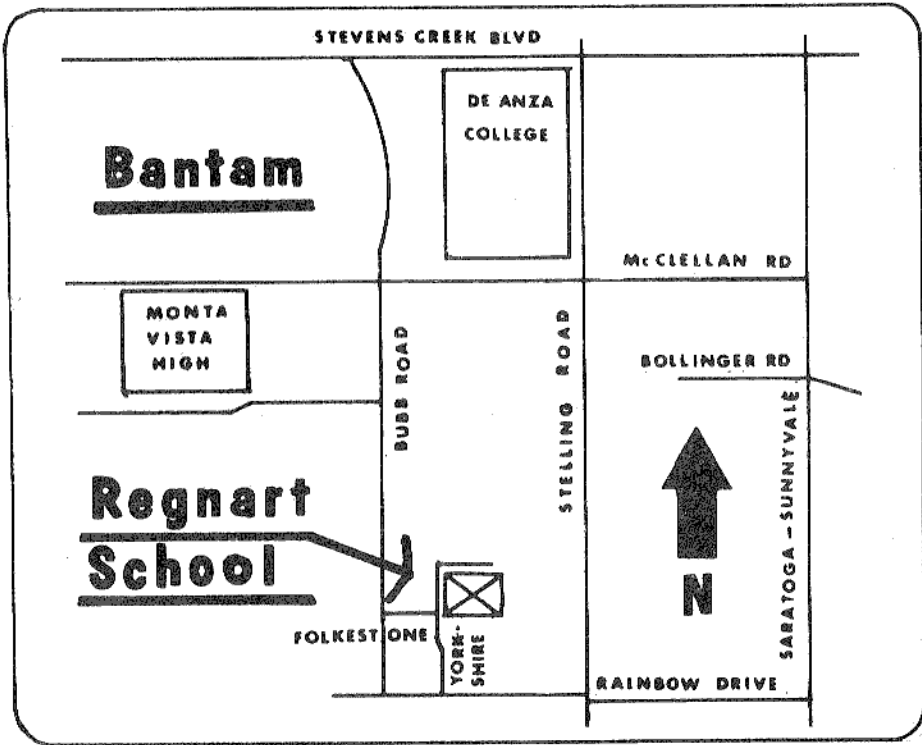

The Board of Directors of the Cupertino National Little League will make every attempt to make this year one every player will remember and enjoy. This enjoyment will only prevail if all of us approach this season in a positive manner. As coaches and parents we need to closely examine and avoid any negative example we might set while coaching or yelling from the stands.

We hope the 1978 season will be measured and remembered by the fun we have had and the lessons learned through participation in Cupertino National Little League.

Bob Sartwell  
President

### IN APPRECIATION

Cupertino National Little League, Inc. is a non-profit organization operated entirely by volunteer personnel. The contribution of the Coaches, Managers, Umpires, and other Officials of the League and organization is impossible to measure. These people deserve our cooperation and respect. Others contribute to the success and financial support of our program. This is especially true of the Team Sponsors and the Rosterbook Advertisers. We urge that you recognize this support and whenever possible demonstrate your gratitude.

### ACKNOWLEDGMENTS
