NATIONAL LITTLE LEAGUE

P. O. BOX 1030

CUPERTINO, CALIFORNIA 95014

Cupertino National Little League welcomes each and every one of you to the 1979 year of baseball. If you have been with us before, welcome back. If this is your first experience with us, welcome and I hope it is a good experience.

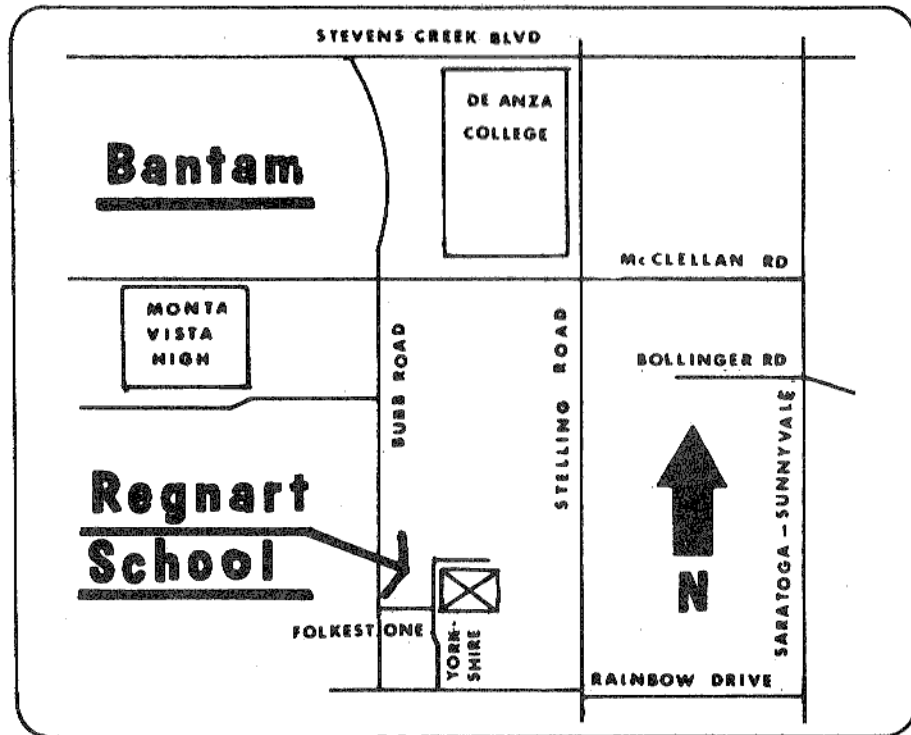

Everyone has new uniforms this year and so we should be a very handsome league. I sincerely hope all coaches, umpires, and parents attitudes will be equally handsome. Little League baseball is for kids; let us let them enjoy the game. Applaud the good plays and ignore the errors and everyone will have fun and, hopefully, return next year to play with us again.

To everyone who has donated time and talent to make this year successful, I say THANKS. The rewards of volunteering are large. Let's go play ball.

GOOD LUCK CUPERTINO NATIONAL
FROM CUPERTINO REGION 35

IN APPRECIATION

Cupertino National Little League, Inc. is a non-profit organization operated entirely by volunteer personnel. The contribution of the Coaches, Managers, Umpires, and other Officials of the League and organization is impossible to measure. These people deserve our cooperation and respect. Others contribute to the success and financial support of our program. This is especially true of the Team Sponsors and the Rosterbook Advertisers. We urge that you recognize this support and whenever possible demonstrate your gratitude.

ACKNOWLEDGMENTS

Cupertino Union School District for the use of Regnart, Faria, Jollyman and Kennedy fields.

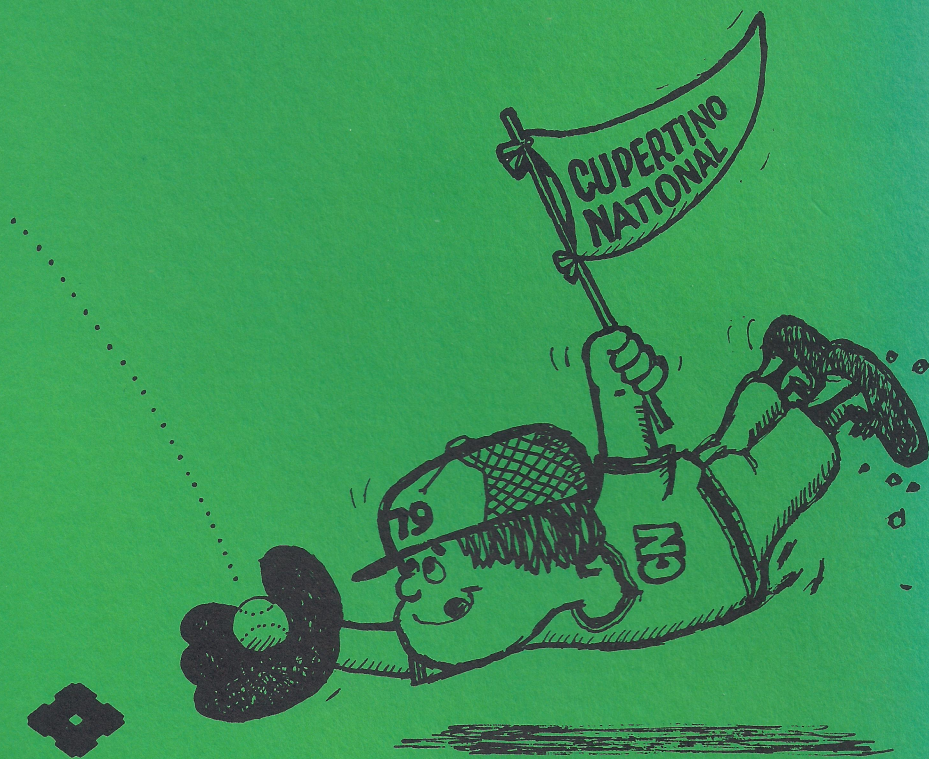

Premont Union High School District for the use of Monta Vista High School playing field.

Mel Valdez for his cooperation and assistance in the preparation of the Rosterbook. Lou Lee, Jim Greish, John Greish and Bev Noble at Vals Instant Printing for their special consideration and attention to detail during Rosterbook printing.

A special 'Thank you' to our Sponsors and Advertisers who support Cupertino National and this Rosterbook. We are fortunate to live in an area that allows every child a chance to participate in many constructive youth sports programs. And the voluntary financial commitment from the business community helps to make it all possible.
